

Culver's -- January 23rd 10:30am-10:00pm

We can raise a little more money for the Tanzania Nursing School on January 23rd anytime in the day from 10:30am-10:00pm. Bring the flyer distributed after services and you will have a nice meal and 10% of your purchases price will go to our project! Culver's will give 10% of your meal cost to this Global Mission project when you buy a meal and give the flyer. Please mark your calendar and invite your neighbors and friends to use the flyer. Those 10% will add up for Global Mission.

Remember only people using the flyers get the allocation of 10% for GM.

If you misplaced your flyer or need to print additional copies for family and friends, visit the ministries page on this website and click the link under Global Ministries.

Thank you for all your support!
